ST AUGUSTINE'S SCHOOL

A special edition of the Parent Bulletin

16th November 2026

Love & Serve through Christ

Dear Parents and Carers,

On Friday 13th November, we were delighted to welcome our local MP, Alison Hume, to our school.

Our Head Students, Reuben, Maddie, Michael and Evie, gave Alison a warm welcome before taking her on a guided tour of the school, where she had the opportunity to meet a number of students and staff. This included visiting our newly refurbished library where Mr Sweetman was leading a reading session for Year 7, and then into the English department to see Mr Starkey and Mrs Kirkman. There was time to see Mrs Blades in RE and Mr Cayzer in mathematics, providing Alison with a great flavour of what life at St Augustine's looks like on a daily basis!

Following her tour, Alison was full of praise, describing our school community as 'calm, warm, and hard-working.' Even in such a brief visit, she was deeply impressed by our vibrant, welcoming atmosphere which is a wonderful testament to the dedication, passion, and commitment of our incredible staff, students, and families!

During her visit, Alison also took the time to discuss key priorities for the development of Scarborough and the surrounding area with our students, listening to their suggestions on how our students feel the town could continue to grow.

We were thrilled to host Alison and look forward to developing a closer relationship with her and her team over the coming months.

God Bless,
Miss R Flanagan
